

## IMPORTANT SENIOR COMPETITION NOTICE

### TEAM REGISTRATIONS

Outstanding team registrations must be finalised at the first scheduled game. Teams who still owe fees after this point will have game results forfeited and further ladder points not awarded until the outstanding amount is finalised. Teams who still have not fully paid by the end of grading will be removed from the competition.

### WALKOVER FINES

Teams who give walkovers receive a fine based on how much notice was given. Teams who provide the WBA Office at least 24 hours' notice of a walkover receive a \$50 fine, while teams who give insufficient or no notice receive a \$80 fine.

Walkover fines must be paid within two weeks. Failure to do so will forfeit any ladder points for games played while the fine is outstanding.

### UNIFORM PENALTIES

Any player in incorrect uniform will incur a five (5) point penalty in all WBA Senior Domestic games. An updated Uniform Policy can be found at the Policy and Documents page at

[www.waverleybasketball.com](http://www.waverleybasketball.com)

It is the team's responsibility to provide tape if a player is required to tape any jewellery.

### GAME ISSUES

Any issues experienced during your game should be brought to the attention of the referees immediately. If the referees are unable to resolve the issue, please seek out the Referee Supervisor.

### FIRST AID

First Aid is the responsibility of each team. Ice can be obtained from the canteen, or if the canteen is closed a freezer with additional ice is found in the foyer next to the canteen. If no ice can be obtained here, additional ice can be located in the referees' room with the Referee Supervisor.

### WAVERLEY TV

Details and passwords for Waverley.TV are populated and sent to team representatives during grading. If you wish to view your games online and find out more, please see 'Digital Services' on the desktop site of [www.waverleybasketball.com](http://www.waverleybasketball.com)

## **ALTERNATIVE TOPS**

If you believe there will be a colour clash then the first named team (team on left of the screen) gets priority. The team on the right of the screen will require alternative tops before the scheduled game start time. The schedule in the foyer indicates potential colour clashes if your team has provided details, but if you haven't or if your colour details may have changed please let us know so we can help identify clashes and save time.

Tops can be hired from the canteen for \$8.00 a set, or \$2.00 per individual shirt, and needs to be returned after you play. These alternative sets should only be used for clashes, and not as a set of uniforms for your team each week for the season.

## **NEW PLAYER REGISTRATIONS**

Additional players joining a team during the season must register their FULL NAME and details on the 'LiveScore Courtside Monitors.' In addition, new players must complete the '*Senior Player Registration Form*' found in the foyer or the website and submit to the cashier's booth with payment.

A \$6.00 Registration/Insurance fee must be paid to the cashier with the individual player registration form. Players permanently withdrawing from a team during the season can be replaced by another player and that player's registration can be transferred to the replacement new player, however you must advise us.

## **ILLEGAL AND UNREGISTERED PLAYERS**

Failing to enter new player details on the LiveScore monitors, and playing new players under withdrawn or absent player's names renders players illegal.

Playing people under another person's name, or playing unregistered players is an offence and WILL NOT BE TOLERATED. If teams are found to be playing members illegally, game results will be altered so the offending team will lose that match and points and qualifications will be removed. Repeat offenders will be suspended.

Players can only play in one team in any nightly competition, and must play under their correct name (Please note: Thursday Men and Over 35s are considered different competitions, as too are Sunday U/23 and Sunday Men). A player from a team that has a bye or walkover can still not play with another team in the same nightly competition. A full explanation of the WBA Illegal Player Policy can be found at the policy links at [www.waverleybasketball.com](http://www.waverleybasketball.com)

## **FINALS QUALIFICATIONS**

Players listed on the LIVESCORE monitors will qualify for the game they are listed. Teams must only list players present and in uniform at the game. Referees will check playing lists at half time and conclusion of matches.

To be eligible to qualify for finals all players must compete in eight (8) of the season's fixture games. Players replacing other players during the season do not accumulate replaced player's game total. Teams are responsible for checking noticeboards and website for eligibility of players and for team final placing and if you are scheduled to play in finals irrespective of position on ladder.

Any queries must be directed to the office seven days or more prior to the Semi Final. No queries will be dealt with during finals.

## **RULES AND REGULATIONS**

It is the team's responsibility to be familiar with all of Waverley Basketball Associations Rules and Regulations. These can be found listed under 'Senior Domestic' on the Waverley website [www.waverleybasketball.com](http://www.waverleybasketball.com)
