TEAM REGISTRATIONS

Junior Clubs will complete the WBA team registration form and online team entry and submit with payment on the teams' behalf .

NEW PLAYER REGISTRATIONS

Additional players joining a team during the season must register their **FULL NAME** and details on the 'LiveScore Courtside Monitors.' In addition, new players must register through their junior club accordingly, as clubs have their own club registration process.

PLAYER QUALIFICATION / CUT OFF DATES

SUMMER: Players must be under the age of the nominated age group by the 30th June in the year in which the season commenced

WINTER: Players must be under the age of the nominated age group by the 31st December in the year prior to the year in which the season commenced.

ILLEGAL AND UNREGISTERED PLAYERS

Failing to enter new player details on the LiveScore Monitors, and playing new players under withdrawn or absent player's names renders players **ILLEGAL**

Playing people under another person's name, or playing unregistered players is an offence and **WILL NOT BE TOLERATED**.

If teams are found to be playing members illegally, game results will be altered so the offending team will lose that match and points and qualifications will be removed. Repeat offenders will be suspended.

Ignoring this rule is putting players at risk! If you play uninsured, you are not covered for injury, physiotherapy, and loss of expenses etc from the stadium's insurance group, V Insurance.

If an illegal or suspended player takes the court, this will result in a **REPORT** and tribunal hearings. All referee supervisors have the authority to ask for identification if a team queries this rule. Referee supervisors will report to the office any offenders.

FINALS QUALIFICATIONS

Players listed on the **LIVESCORE** monitors will qualify for the game they are listed. Teams must only list players present and in uniform at the game. Referees will check playing lists at half time and conclusion of matches.

To be eligible to qualify for finals all players must compete in five (5) of the season's non-grading games.

Players replacing other players during the season do not accumulate replaced player's game total.

Teams are responsible for checking noticeboards and website for eligibility of players and for team final placing and if you are scheduled to play in finals irrespective of position on ladder.

Any queries must be directed to the office through club officials before the final round of regular season games. No queries will be dealt with during finals.
