## **Register.**

#### STEP 1: Navigate to www.jamware.tv

Please note: You must use the in page navigation controls. Using the browser back and forward controls will drop you out of the session. The first time you go to the page you will be asked to download and install MICROSOFT SILVERLIGHT if it is not on your system. Please accept all of the default settings.

The site has been tested to work in MS Internet Explorer and in Firefox. Other browsers may also work. Chrome is OK though you will receive warning messages.
